

Serving Georgia Companies Statewide

Wire Rope.....

Wire Rope Corporation of America signed a training plan with Quick Start and Valdosta Tech this past May. The facility in Hahira will employ 22 Georgians. Pictured at the signing ceremony are (l-r) John Josendale, President, Wire Rope Products Group; Marla Lowe, Director, Regional Project Operations, Quick Start; and Dr. James Bridges, President, Valdosta Technical College.

TEMCOR

TEMCOR, makers of clear-span roof systems, had its Grand Opening on June 2, 2001. Pictured are (l-r) Dr. Carlisle Rathburn, III, President, Savannah Tech; Roger Rogers, co-founder, TEMCOR; Hon. Ann Purcell, Ga. House of Representatives; Walt Mitchell, co-founder, TEMCOR; Charles Miller, Chairman of the Board of TEMCOR; and Leland Sanders, Director of Manufacturing, TEMCOR. The company will employ 55 Georgians at its new facility.

Quick Start Welcomes World Business Leaders

Chinese Visitors.....

A delegation from China recently visited Quick Start's Atlanta offices. Mike Jones (standing), Marketing Manager of Quick Start, gave the group a tour and answered questions concerning the services Quick Start offers.

Austrian Visitors.....

Austrian graduates of the Executive MBA Program at the Goizueta School of Business at Emory University were given a tour and presentation of the Quick Start offices by Ben Walton, Director of Marketing, Quick Start.
